CASTING A BALLOT THAT GETS COUNTED!

You are eligible if you...

- ✓ **Are at least 18** (or will be by the next election)
- ✓ Are a citizen of the United States
- ✓ Will have been a resident of Wisconsin for at least 28 days by Election Day.

Moved recently? If you have lived in Wisconsin for less than 28 days before an election, you can only vote for President and Vice President. **If you moved *within* Wisconsin in the 28 days before an election, you must vote absentee from your previous address.**

Felony conviction? If you have a felony conviction, you can vote after completing your sentence (including probation & parole).

Step 2: Am I registered to vote, and is my registration information current?

If you are not registered, you will need to register before or when you go to vote.

- Check to see if you are registered and if your information is correct at: <https://myvote.wi.gov/en-us/My-Voter-Info>.
- **If you haven't voted in the last 4 years, your registration may have been de-activated. You will need to re-register before you can vote.**

MORE ABOUT HOW TO REGISTER IN WISCONSIN!

Register online at: <https://myvote.wi.gov/en-us/Register-To-Vote>

To register online, your name, date of birth, Wisconsin ID number, and address must match information on file with the Wisconsin Department of Motor Vehicles. No additional proof of residence is required. However, If you don't have a state ID, you must register by mail or in person

Register by mail

Print and complete the voter registration form available at <https://elections.wi.gov/forms/el-131-fillable>. Then, mail it to your municipal clerk's office.

You will also need to provide a document showing proof of residence. This can be a copy of your driver's license, but any document that includes your full name and your address (or a description of where you live) will work – a utility bill, paycheck, employee ID, or even a letter from your tribal government that includes this information will work.

Register in-person

- At your municipal clerk's office, any time until the Friday preceding Election Day
- OR**
- At your polling place, either on Election Day or during early voting.

If you register in person using either of these options, you will need to provide proof of residence just as you would if registering by mail.

What if I do not have a permanent residence, or my permanent residence doesn't have an address associated with it?

You have the same right to vote as anyone else – you just might need a little extra advice.

- **Your permanent address need not be a place you go to every day.** It's just anywhere you stay at regularly and consider your home. That can be a family member's house, or a friend's place, or a shelter. It can even be a park bench or other spot where you frequently return, although it will be easier if you can provide an address where you regularly receive mail.
- **If you have a permanent residence but it does not have a standard address,** you may be able to use a rural route number or description of your residence.
- **If you lack a standard address and are unable to meet Wisconsin's address or proof of residence requirements, please contact us at vote@narf.org.** We are here to help, free of charge.
