Make your plan and VOTE!

1. Check deadlines for early voting and voting by mail
2. Vote in person early or on election day or vote by mail!

HOW TO REGISTER TO VOTE:

OPTION ONE | REGISTER ONLINE:

Register online at <https://mnvotes.sos.state.mn.us/VoterRegistration/VoterRegistrationMain.aspx>. You can submit your registration online if you have a MN driver's license/ID or a social security number. If you don't have a MN ID or a SSN, register by mail or in person (see option two).

OPTION TWO | REGISTER IN PERSON OR BY MAIL:

The form to register via mail is located here: <https://www.sos.state.mn.us/elections-voting/register-to-vote/register-on-paper/>. You can use a MN ID or a tribal ID with your name, address, photo, and signature. Otherwise, you can use the following IDs paired with a document that includes YOUR name and current address (i.e., a recent bank/utility/student fee statement or a current lease): U.S. passport, military/veteran ID, tribal ID without address, sister state ID, or MN high school or post-secondary school ID.

WHAT IF I DON'T HAVE A PERMANENT ADDRESS?

When you register to vote, you must provide your current residence. This is the place where you sleep, so if you sleep in a shelter, at a friend's house, or outside somewhere, that is your voting residence. If you sleep in a house without an address or outside, write a description of the location on line four of your voter registration application. For example, "In the NW corner of Jefferson Park near the intersection of Winston Ave. and Smith St." A registered voter from your precinct can go with you to the polling place to sign an oath confirming your address. This is known as "vouching." A registered voter can vouch for up to eight voters. You cannot vouch for others if someone is vouching for you.

STEP 2: CASTING YOUR BALLOT

What can I use as voter ID?

You do not need to bring identification to the poll if your registration is current and active, meaning you were registered at least 21 days before the election and have not moved or changed your name since you registered.

My neighbor/friend/family member isn't able to return their ballot to a post office or drop box themselves. May I deposit their ballot instead?

Only a designated agent may return a ballot for others. Agent delivery is available for voters that live in a nursing home, assisted living facility, residential treatment center, group home or battered women's shelter or who are hospitalized or unable to go to the polls due to disability or illness. Find out more and request agent delivery here: <https://bit.ly/3TYCbc3>
