MAKE YOUR VOTE COUNT!

STEP 1: REGISTER TO VOTE

REGISTER ONLINE: To register to vote online, go to: www.kdor.ks.gov/apps/voterreg/default.aspx. Online registration is only available if you have a Kansas driver's license or Kansas-issued identification card. You cannot use your Tribal ID number for this purpose. If you don't have either of these forms of ID, you won't be able to complete your registration online. However, you can still register to vote. You'll just need to fill out a paper registration form and return it to your County Auditor.

REGISTER BY MAIL: Print and complete a voter registration form at home, then mail it to your County Elections office. Even if you don't have a Kansas driver's license or Kansas-issued identification card, you can use this method to register. You will need to provide the last four digits of your Social Security Number instead. A copy of the form is available at www.kssos.org/forms/elections/voterregistration.pdf.

REGISTER IN PERSON: Visit your County Elections Office to register in person.

STEP 2: GO VOTE

ELECTION DAY IN-PERSON VOTING:

Make sure you have appropriate voter ID and bring it with you! Find your polling place at myvoteinfo.voteks.org/VoterView.

IN-PERSON EARLY VOTING:

In every Kansas county, in-person early voting (where you vote in a booth, just as you might on Election Day) is available for at least one week before each election. Some counties may offer early voting as early as 20 days before the election. However, in-person early voting is NOT always available at your usual Election Day polling place. Most counties offer this option only at a few locations. If you would like to vote early and in-person, check your county's website to learn when and where this option will be offered.

NO-EXCUSE ABSENTEE VOTING:

Applying for and receiving your mail-in ballot: Any eligible voter can vote by mail in Kansas, but you must submit an absentee ballot application before each election for which you would like to receive a mail-in ballot. This application is available at www.kssos.org/forms/Elections/AV1.pdf.

To complete the application, you must have either a Kansas driver's license or a non-driver's ID number OR you must provide a photocopy of one of the forms of acceptable voter ID listed on the next page. (A photocopy of your Tribal ID card works!)

Returning your mail-in ballot: Mail your completed ballot to your County Elections Office, ensuring that it is postmarked no later than Election Day OR drop your completed ballot in a ballot drop box. (Check your county's website for ballot box locations and hours.) Then, you can track your ballot at myvoteinfo.voteks.org/VoterView.

RETURNING BALLOTS FOR OTHERS:

Yes, you may return ballots for others. Just be sure that the person whose ballot your returning has already completed, sealed, and signed the ballot themselves.

VOTER ID REQUIREMENTS:

You may use any of the following forms of ID, so long as it includes your legal name and photograph and has not yet expired. It need not list a residential address. (If you are 65 or older, you may use expired ID.)

- ✓ Your Tribal identification card, even if you are a member of a Tribe not located in Kansas
- ✓ A driver's license issued by any state or district in the United States
- ✓ A state identification card issued by any state or district in the United States
- ✓ Your American passport
- ✓ A concealed carry handgun license
- ✓ Your employee ID, if you work for a municipal, county, state, or federal government office
- ✓ A student ID card, if issued by a college or university in Kansas
- ✓ A public assistance ID card

WHAT IF I DON'T HAVE ANY OF THESE FORMS OF ID?

It is extremely important that you obtain appropriate voter ID before Election Day. If you don't have proof of ID with you on Election Day, you will need to vote a provisional ballot.

If you are asked to vote a provisional ballot, you **MUST** provide your county election official with a copy of your valid ID by mail, email, or in person as soon as possible after the election. If you do not do so before the county board of canvassers meets to count ballots, your vote will not be counted.
