MAKE YOUR VOTE COUNT!

MONTANA NATIVES VOTE

STEP 1: REGISTER TO VOTE

REGISTER BY MAIL:

Access the voter registration form, which is available at your County Election office, or online here: https://sosmt.gov/wp-admin/admin-ajax.php?juwfpisadmin=false&action=wpfd&task=file.download&wpfd_category_id=46&wpfd_file_id=59393&token=&preview=1. Fill out the registration form and drop it off in person or mail it to your County Clerk's office. You will need specific identification to complete the registration form. See the Registration ID & Voter ID Requirements information below.

REGISTER IN PERSON:

Register in person at your County Election Office, Motor Vehicle Division, any public assistance agencies, or at a military recruitment office. You can register to vote in person with the same forms of ID allowable for mail registrations. See below.

RESIDENTIAL ADDRESS REQUIREMENTS:

Montana law accounts for the lack of conventional addressing systems in rural Montana and on Indian reservations and ensures that Native voters are not disenfranchised because they lack a conventional street address. **In Montana, voters that do not have a conventional address are not required to provide a conventional address to register to vote.**

The voter registration application requires a "Montana Residence Address". The law requires that election administrators accept the following options for the Montana Residential Address Requirement:

- A current street address,
- A rural address, or
- Information that describes a **specific geographic location** from which the location of the elector's residence may be easily determined. Electors can provide address alternatives, such as rural addresses, site descriptions in relation to natural features and boundaries, or recognizable landmarks. For instance, a voter's residence may be described in the following terms:
 - Two miles south of where I-90 turns south and intersects S-384.
 - One mile southeast of where Cut Bank Creek intersects 3 C Bar Road.
 - Five miles east of Blackfeet agency, turn left off of Greenhouse Road.

Supplemental material indicating the location of the elector's residence can be attached to the registration form and should be encouraged where conventional street addresses are unavailable. Election administrators may encourage, but may not require, the voter to provide contact information.

REGISTRATION AND VOTER ID REQUIREMENTS:

In Montana, you need to show identification both when registering to vote and when voting. To apply for voter registration in Montana, you must provide your Montana driver's license number, or the last four digits of your Social Security Number, and, when you go to vote in person, you must also show identification. If you do not have a Montana driver's license or Social Security Number, you can use one of the following IDs to register to vote and when you vote in person:

- Military identification card
- Tribal photo identification card
- Other form of photo identification (including a school district or postsecondary education photo ID)
- United States passport
- Montana concealed carry permit

AND

You must provide a current version of one of the documents listed below.

- Utility bill
- Bank statement
- Paycheck
- Government check
- Other government document

If you provide one of these documents and **apply in person**, you must show the original document to the election administrator. If you provide one of these documents and **apply by mail**, you must enclose a readable copy of the document with the application. Registered voters in Montana must confirm their identity when they vote in person.

STEP 2: GO VOTE

SAME-DAY REGISTRATION:

You can register to vote and vote on Election Day through the late registration option.

VOTING BY ABSENTEE BALLOT:

Montana early voting is conducted by absentee ballot. Absentee ballots are mailed 25 days before the election. You can return an absentee ballot by mail or drop it off at the county election office. Absentee ballots must be received by 8:00 pm on Election Day at the polling place or election office.

- An absentee voting packet will be mailed to the address you indicated on your application, or you can pick up the packet at the county election office at the time you apply for the absentee ballot, if ballots are available at that time.
- After voting the absentee ballot, return in the envelope(s) provided. **READ INSTRUCTIONS INCLUDED WITH THE PACKET CAREFULLY.**
- Be sure to sign the affirmation on the signature envelope before sending back or dropping off. Note: The person to whom the ballot was issued must be the person signing the return envelope.
- You can track your absentee ballot for federal/state elections at My Voter Page: <https://bit.ly/3WZfsAg>

You can register for an absentee ballot here: <https://sosmt.gov/elections/forms/>

RETURNING BALLOTS FOR OTHERS:

In Montana, a caregiver, family member, household member or acquaintance can return completed ballots for other voters. An individual authorized to return a voter's ballot may not collect and return more than six ballots.
