MAKE YOUR VOTE COUNT!

STEP 1: REGISTER TO VOTE

You can register in person at your County Clerk's office and at any NV Department of Motor Vehicles office using the form listed below under "Register by mail," or you can:

REGISTER ONLINE:

To register online go to: <https://registertovote.nv.gov/>. Your name, Social Security Number, driver's licenses number, and date of birth must match information on file with the Nevada DMV. If you don't have a DMV-issued driver's license or ID, you must register by mail or in person.

REGISTER BY MAIL/PAPER FORM:

Print two copies of this form: <https://www.nvsos.gov/sosvoterregform/>. Mail one signed application to your County Clerk and retain the other as a receipt. Your application must be postmarked by Oct. 8 or delivered in person.

SAME-DAY REGISTRATION:

Nevada allows for same-day registration. To register to vote and vote on the same day, you must have a valid Nevada driver's license, state ID card, or Tribal ID card and you must vote in-person at a polling location. Nevada voters can register to vote or update existing voter registration information in person at the polling place either during early voting or on Election Day **Tribal ID cards may also be used if they meet certain requirements**. Visit <https://www.nvsos.gov/sos/elections/election-information/same-day-registration> for more information about same-day voting and Tribal ID requirements. To find the nearest early voting location offering same-day registration visit: <https://www.nvsos.gov/sos/elections/election-information/2024-election-information/2024-voting-locations>.

VOTER ID REQUIREMENTS:

If you've voted in Nevada before, registered in person, or provided ID at the time of registration, you don't need to show ID to vote.

If you're voting in Nevada for the first time, registered to vote by mail or online, or didn't provide ID when you registered, be sure to bring a copy of your photo ID or a current utility bill, bank statement, government check, paycheck, or government document that shows your name and address when you vote.

Your County Clerk will notify you if you are required to provide a copy of your identification with your mail ballot. To fulfill this requirement you must submit to your County Clerk official identification of both identity and residency with your mail ballot. For a list of qualifying forms of official identifications visit: <https://www.nvsos.gov/sos/elections/voters/mail-ballot-voting>.

TRIBAL IDS:

Election board officers are required to accept a Tribal identification card as proof of identity and residency from an elector who appears in person to register to vote during early voting and on Election Day.

STEP 2: GO VOTE

VOTING IN PERSON OR BY MAIL:

You can vote in person or by absentee ballot throughout the early voting period (Oct. 19 - Nov 1). You can also return your ballot in person until 7:00 p.m. on November 5. For information about voting online, see the next section about Nevada's EASE program. If you live on a Colony or Reservation, find your polling location here: <https://www.nvsos.gov/sos/elections/voters/reservation-and-colony-polling-locations>.

TRIBAL VOTERS WHO LIVE ON A COLONY OR RESERVATION IN NEVADA:

Nevada's Effective Absentee System for Elections (EASE) (<https://nvease.gov/>) is an online application that integrates voter registration and electronic ballot delivery and marking. EASE is available to active-duty members of the United States Armed Forces, their spouses and dependents, Nevada voters who are outside of the country, Nevada residents with a disability, and **Tribal voters who live on a colony or reservation in Nevada.**

The 2024 elections will be the first where Native voters residing on reservations or colonies in Nevada can register and vote using EASE. One of the biggest advantages of the EASE system is that it allows Tribal citizens to use their Tribal IDs to verify their identity for online voter registration. EASE will be available to use no later than Saturday, September 21, for the general election.

For more information about EASE:

<https://www.nvsos.gov/sos/elections/voters/uniformed-overseas-citizens/ease-overview>.

RESIDENTIAL ADDRESS INFORMATION:

For the purposes of preregistering or registering to vote, if you reside at a location that has not been assigned a street address (such as 123 Main Street), then you can describe the location where you live. The description must identify the location with enough specificity to allow the County Clerk to assign the location to a precinct.

VOTING WITHOUT A PERMANENT ADDRESS:

Unhoused voters or voters without a permanent address may list a shelter address, street corner, or park as their address.

RETURNING BALLOTS FOR OTHERS:

A person authorized by the voter may return the mail ballot on behalf of the voter by mail, personal delivery to the County Clerk, or delivery to any ballot drop box in the county.

ABSENTEE VOTING:

Nevada uses universal mail ballot voting. Therefore, absentee ballots will automatically be sent to all registered voters. Nevada recommends that absentee voters update their mailing address to their current
